

Dear Practice Managers and Practice PPGs

Survey - The Patient Participation Listening Practice Incentive Scheme 2016-17

Thank you for participating in the scheme. As the projects have now come to a close, we would like to capture your experience of what has worked and what hasn't. Below is a short survey for you to share with us your experience and views. Completing the survey is optional but the information provided will be valuable to help us when considering future Practice and PPG initiatives.

1	Please share with us 2 positive experiences from yours and your PPG's participation in the scheme.	Gaining a focused view Doing something small can really help
2	Please share with us 2 areas of improvement from yours and your PPG's participation in the scheme.	Active formal involvement was minimal but online and opportunistic contact excellent
3	How has the scheme helped your engagement with your PPG?	See above taking a pragmatic approach worked well
4	How would you rate you and your PPG working together on this scheme? Gold Silver Bronze 	silver

Thank you.
